FOREWORD

We brought the "Matty" herd to Haw Street Farm in the spring of 1984 which totalled 70 cows plus followers. We expanded the herd to 140 and about 5 years ago we came back down to 120 because we lost our dry cow accommodation. Our breeding policy has first been good temperament, butterfat, milk yield, legs and feet and in the last 6 to 7 years we have also added high type merit and life span. The herd in recent years has achieved a hundred tonnes of milk from a cow: Matty Eskimo Janet in her 10 lactations, produced a Lifetime Daily Yield of 20.85 kgs per day of life. In 2008 the herd also won the Cleevale Perpetual Challenge Cup for Predicted Genetic Improvement Class A.

The cows are milked through a Herringbone parlour and they are cubicle housed and are TMR fed. The heifers are also trained to cubicles at an early age. The herd Milk average is currently running at 8000 litres per cow, 4.50% butterfat, 3.38% protein and the SCC is 196.

Today's sale is a genuine dispersal of the entire milking and dry cow portion plus in calf heifers and served heifers brought about by both mine and Carol's desire to take life a bit easier for we are both over retirement age now and are finding we have a few more aches and pains than we did. The reason we took the name Matty was because it means God given and that was to remind us that we are but caretakers of what we have in this life. The herd has brought us through the good times and the hard times over the past 40 odd years. We take this opportunity to wish all the new owners of the Matty Herd all the very best with their purchases.

CONDITIONS OF SALE

- 1 The Auctioneers sell as agents for the Vendor (except where they are stated wholly or partly to own any lot as principal) and as such are not personally responsible for any default by the Vendor or Purchaser.
- 2 Subject to the reserve price (if any) being reached, the highest bidder for any lots shall be the Purchaser, and if any dispute arises, the Auctioneers may determine the same, or the lot may be put up again and resold at their discretion.
- 3 The bidding at all times to be at the discretion of the Auctioneers, who reserve the right to refuse any bidding or to withdraw any lot or lots from the sale, and to sell in such order and combine lots as they think fit. No bidding shall be retracted.
- 4 At the fall of the hammer, each Purchaser shall upon request give to the Auctioneers his or her name and address, and pay for any lots purchased at the close of the sale.
- 5 No lot or lots shall be removed from the premises until paid for, but each and every lot shall, at the fall of the hammer, be considered as delivered and at the risk of the Purchaser and shall be removed from the sale field at the Purchaser's expense and taken with all faults and errors, save as hereinafter provided.
- 6 The Auctioneers describe each lot with care from information supplied by the Vendor or from their inspection when cataloguing but no allowance will be made for errors of description or misstatement contained in advertisements, catalogues or given verbally at or before the sale. Buyers should satisfy themselves prior to the sale of the condition of each lot.
- 7 Purchasers paying by cheque must be prepared, if required, to produce a letter of credit from their bankers.
