FOREWORD

We have arranged today's Genuine Collective Sale with the inclusion of two Genuine Dispersal Sales on behalf of Local Farmers and we also include entries of good quality items from other local farmers.

The last two years or so have been difficult for farm sales and COVID restrictions have made conducting sales testing for Auctioneers and those attending.

We are now able to conduct sales without such things as social distancing but still ask all those who attend to respect the space of others and enjoy today's sale. Should entries be sufficient we reserve the option to operate two concurrent auctions.

METHOD AND ORDER OF SALE

All Items listed in the catalogue will be sold in pounds. The two Dispersal Sales will be conducted first then followed by additional entries. Lot numbers will be allocated on the day of sale.

CONDITIONS OF SALE

The sale is held subject to the Auctioneer's General terms and Conditions of Sale and to the Auction Conditions of Sale recommended for use by the Livestock Auctioneers Association (LAA) and Central Association of Agricultural Valuers (CAAV). The Conditions are available to those purchasers who wish to view them. All lots are sold as seen and without warranty of any type unless specifically stated. In attending the Sale purchasers are deemed to have full knowledge of and to abide by the Sale Conditions and any Special Conditions of Sale and Special Conditions associated with Covid-19, detailed at the commencement of Sale.

VAT

: VAT at the current standard rate will be charged on all items, where applicable. Please assume VAT is added unless otherwise stated. The VAT status of Vendors will vary.

CATALOGUE ENTRIES

Whilst every effort has been made to ensure that the descriptions are accurate no guarantee is given or implied. Buyers should note that lots may be withdrawn and other lots added prior to the sale day. Buyers are advised to contact the Auctioneers prior to the sale to confirm a particular lots inclusion since the Vendor nor the Auctioneers will be responsible for abortive expenses in respect of withdrawn lots. We cannot guarantee that the lotting order will not change.

Purchasers are reminded that all lots become their responsibility from the fall of the hammer. (See Conditions of Sale).

COMMISSION BIDS

Those not wishing to attend the sale may wish to leave a commission bid. The auctioneers will be pleased to execute commission bids on the understanding that the purchaser has inspected the items or has satisfied themselves that the catalogue description is sufficient or the verbal description given to them is sufficient. Forms are available on request.

ENGINE HOURS

Neither the vendors nor the auctioneers make any warranty regarding engine hours or vehicle mileages. Any quoted tractor hours in the catalogue were recorded in late April 2022, but vehicles may continue to be used up until sale day. The Auctioneers will update clock readings and announce at the point of sale.

ELECTRICAL ITEMS

All electrical items will be PAT tested prior to the date of sale as appropriate.

PAYMENT TERMS

Purchasers wishing to pay by cheque **who are not known to the Auctioneers** are asked to contact Mr Anthony Pritchard on 01291 680068 or Jon Pullin on 07736 800760 to discuss references. We accept debit cards in settlement of your purchase (subject to surcharge and signal) but not credit card. Purchasers can make arrangements to pay via BACS automatic bank credit transfers. Arrangements should be made for this prior to sale. Due to the requirements of the Money Laundering Regulation 2017 we regret that we are **unable** to accept payments for goods in cash where the total transaction (including VAT) exceeds £7,500, as a single or multiple item payment.

SETTLEMENT AND CLEARANCE OF ITEMS

Settlement in full is due to the Auctioneers immediately at the conclusion of the sale, no machinery or asset may leave from the Sale Premises without an official PASS obtainable only from the Auctioneers upon settlement and all stock should be cleared from the sale premises on the day of the sale, except where additional time to remove has been specified. Transfer of ownership does not pass to the buyer until payment is cleared but becomes the risk of the buyer at the fall of the hammer. We reserve the right to hold back any item sold until clearance of any payment.

VIEWING

Strictly from 12 noon on day of sale only (Friday, 20th May 2022).

Please contact Jon Pullin, Richard Barrow or Callum Clements for any further information required prior to the sale. Please do not attempt to visit the farm outside of the proposed viewing times.

LOADING

A suitable vehicle will be available to assist with loading on day of sale only. No loading of items will commence (unless by hand) until completion of sale. Purchasers wishing to return after the sale to collect items must leave clear instructions, dates and times with the auctioneer to assist the vendor. Any item not removed within 1 week of the close of sale will be resold and payment refunded to the purchaser less reasonable costs of that sale.

IMPORTANT

The Auctioneers and their clients accept no liability for any damage or injury to persons or plant and all attend the sale at their own risk.

HEALTH & SAFETY ON SITE

Health and Safety on site prior to, during and after the sale is of utmost importance to the Vendors and Auctioneers for the safety of all involved.
